making a difference

United Way Leeds & Grenville funded agencies helped **1 in 4** clients last year. Together, 50 United Way Leaders* donated over **\$217,770**.

Thank you to all our Leadership donors for your generous support.

Leadership Challenge Grant

This year, a generous donor in our community has stepped forward to provide a Leadership Challenge Grant opportunity to encourage the increase of Leadership gift giving.

New Leadership Donors

Consider becoming a new Leadership donor to **Double the Impact** of your generous gift.

- A first time donation of \$1,200 or more to the United Way will be matched up to a maximum amount.
- Increase your gift to \$1,200 this year and your gift will be matched dollar for dollar.

Renewing Leadership Donors

If you are already a Leadership donor and are considering a donation increase, of at least 10%, the Leadership Challenge Grant will match the full amount of your donation - **Double the Impact!** (up to a maximum amount)
